“ *Please accept my deepest condolences to your family. During this difficult time please keep in mind the encouraging words found in the Scriptures at Isaiah 25:8 where it says, “He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces”. Know that my thoughts and prayers are with you. And please let the hope found in God’s Word the Bible provide encouragement to your family.*

“ *Uncle Bob you have been one of a kind, and the only Uncle I have had. You have filled many shoes! I have been the blessed one to be the daughter you and Audrey never had! I am truly going to miss you. Thank you for all you love and support and as promised I will make sure your beautiful wife, is taken care of. I will come to visit and hopefully bring you some of your own venison Jerky. Love you, miss you already. God Bless, Pamela*

“ Audrey and Family

Bob was truly a gentleman all heart and sole. Just to see his smile and caring hugs as he always gave when he greeted you ! No matter when, he was there for everyone. His heart took everyone in and we all stayed there especially for our brother Tim Pelkey ! and all of us. I know Bob will be looking down and watching all his family and friends and when the sun shines, I We will know that He is Smiling. And always remembering seeing Bob on the front porch when you pull up with all the long talks about anything and everything. Take care of yourself Bob as you are so loved ! You are a sensational person.

*With Love always and forever;
John and Jill Pelkey*

“ *Mr Bob was not just our neighbor, he was like a second father and grandfather to me and my kids. I will never forget get all our conversation on the front porch or how great you were with my kids. From going to basketball games, football games, judging cheerleading competitions on your front lawn, always having money for the ice cream man, taking the kids acorn picking and paying a penny for ever acorn, the memories go on and on. You are one of the most sensitive, caring men I have ever met. Not only did we lose a great neighbor but we lost our neighborhood watchman. I hope you knew how much you ment to me and my kids. I will truely miss you Mr Bob.*

“ I really appreciated having front porch conversations with Bob. His neighbors, of which I am one, will miss him, as will the pets in the neighborhood. Heartfelt condolences to Audrey, his family, and all who knew and cared for him. As the Irish say, "He was a lovely man."
