“ *I can't remember anything but a smile on Uncle Bob's face. His love for life and family - and in better days the Red Wings - with his quick wit and warm sense of humor that connected with everyone, was a life lesson for all who shared in his company. I'll always remember a long summer car drive we made up north together. We had a non-stop conversation and laughs for the entire 5 hour trip. I always looked forward to our family visits with Uncle Bob and Aunt Dorothy. It was always a treat to spend time with the whole Zeleny family. Uncle Bob always made it special. Donna, Lennon and I send our love and heartfelt support to Aunt Dorothy and the families of Karen, Robbie, Kurt, Jeffery, and Scott. Warmly, Gary*

“ *Bob was a veteran letter carrier when I first joined the Postal Service. He was kind and always had a smile and a laugh for all. Her had been our backyard neighbor since we moved to Warren. But as a co-worker he treated me as an equal, not as his neighbor's child. I will miss the thought of him being on this earth. My condolences to the whole family. Sincerely, Sue Williams*
