“ *I first met Bob playing pick-up basketball at Woodhaven HS in 1975. A few years later, in 1978, I got know him better when I joined the Jaycees. For many years after that we shared plenty of great times and memories, with numerous Jaycee projects and events and as both teammates and opponents on the softball field and volleyball court. (I never forgot Bob 'burning me' with a two-out bottom of the seventh inning triple that was the game winner in the city championship game). For more than ten years we co-chaired Euchre tournaments at the Woodhaven Moose and built it up to be a 'real event'. In later years when we had moved to Florida, whenever we traveled back to Michigan, Maxine and I would make it a priority to meet with Bob & Donna along with ,Dan and Judy for luncheons and reminiscing about days gone by. Occasionally - but not enough - we'd have a nice telephone chat. I'll really miss Bob and his wry sense of humor - I just I can't believe he's gone. Rest well dear friend.*

“ I was fortunate to work with Bob for several years at Rouge Steel. We shared many good and not so good challenges together and I always appreciated Bob’s efforts and his wry sense of humor. May he rest in peace.

“ We are so saddened to hear about Bob’s passing. So many memories come to mind, great times as neighbors on Provincial, Jaycees, and Euchre Club to name a few. It’s been a lot of years. We will miss you and remember you always. Sending hugs to Donna, Pam, Michelle and Bobby and all the grandkids. You are in our prayers.

“ Donna & Family,

Sorry & shocked to hear of Bobs passing. I met Bob thru the Woodhaven Jaycee's in the 1970's, he was a great guy & a lot of fun to be with. We had a lot of good times together working on projects with the Jaycee's. He'll be greatly missed by everyone who ever met him. We'll keep him & his family in our prayers.

“ I will miss Dzia Dzia’s quick humor and endless wisdom on any random topic. He taught all of us grandkids how to play Euchre and we now play at every family get together. It is one of our favorite ways to bond as a family. I will miss the way he called my dog (Otis) “squish”. I am so heartbroken that Baby Hudok will never get to meet my dear Dzia Dzia. I will love and miss you forever.

What a beautiful picture of a beautiful man. He was a funny guy and I always enjoyed his smile. I met Bob around 2006, while playing volleyball at the OPC and we enjoyed keeping in touch, mainly by email, until his passing. You are missed - rest in peace, dear friend.
