“ I had the pleasure of knowing Rochelle for a short time while she worked for Elwood Staffing at TI Automotive. She was a very sweet person and will be greatly missed.

“ Although I worked with Rochelle for just 4 months, her and I became close. It saddens me beyond words, and how she went without having a chance to say goodbye to anyone. She was a special lady. To Jewel, I know she loved you very much, she was always on the phone at break to check up on you, see if you made it home...always so concerned for you. To Tim, she spoke of you too, that you have been together for quite awhile. You both must be real special people, because she never seemed sad. Always smiling, always polite. Love to you, and peace be with you until you see her again.
