

Roger A. Maciejka

May 9, 1947 - July 23, 2023

Roger Allen Maciejka, 76, of Shelby Township, MI, passed away on July 23, 2023. He was born on May 9, 1947, in Hamtramck, Michigan, to the late William F Maciejka and Marie Maciejka (Baranski). Roger was preceded in death by his sister, Jacqueline Swanner.

Roger was a car enthusiast and owned several cars, with his favorite being a 1956 Thunderbird convertible. He had a passion for travel, which led him to work in various locations during his career with the Federal government. After completing college, Roger started working for the federal parks and later transitioned to a position with the federal highway administration. This role allowed him to live in San Francisco, California, and other places before settling in Delmar, New York, where he retired.

Upon returning to Michigan after retirement, Roger enjoyed spending time with his family and attending fun events. He was an active member of his condo association and served on the committee for many years. Roger's warm personality and love for his family made him a beloved uncle, great-uncle, and great-great-uncle to many nieces and nephews.

Roger is survived by his brothers, William (Sylvia) Maciejka and Dennis Maciejka. His memory will be cherished by all who knew him.

A funeral service will be held at Mandziuk Funeral Home. In lieu of flowers, contributions can be made to Alzheimer's Research in Roger's memory.

We will forever remember Roger for his love for cars, his adventurous spirit, and his dedication to family and community. May he rest in peace.

“ I was saddened to learn of Roger's passing. I worked for Roger at the Federal Highway Administration in Albany, New York. He made working there very enjoyable because of his sense of humor and easy going manner. He was the best boss I ever had. Sincere condolences to his family and friends.
