“ *Sorry to hear this. My deepest condolences to the family. I worked with Roman at Chrysler, always thought of him as a very talented, European craftsman. Roman could convert metrics to US before I could do it on a calculator. His lessons to his apprentices was appreciated.*

“ *Roman....I cannot accurately describe our brother-in-law / sister-in-law relationship, except to say it was one-of-a-kind. From Day 1, back in 1979, we have been sparring partners - always poking fun at each other! I have so many memories and in each one of them, your smile and laughter abound. You will always be near to my heart. Heaven has gained an angel - now, be good up there!!*
