“ *Very honored to have worked for Ron. Had great respect for him that turned into friendship. Will never forget our trip to Lisbon where his love of Music and Tapas left me needing a long sleep and a major diet. Sadly missed but not forgotten. Mark and Elaine Hancox*

“ *I lost the love of my life Wednesday morning to a long battle with pancreatic cancer. There is a hole in my heart and the light in my life is gone. He was a great man who lived life to the fullest. He was a brave man who faced cancer with grace and fearlessness. He was a man who lit up a room and made everyone laugh with his wit. My husband. I miss him.*

“ *It's almost too much to bear. What a terrible time in life when you lose someone so special. But what a privilege it has been to know Ron and his entire family. You all set the example for us how to endure such sadness with such courage and dignity. Blessings to all of you and we will see you again Ron on the other side.*
