“ *We have realized the path ended too soon.*

Not long enough to hold his hand, this amazing person, this loving man.

*Not long enough to engage his eyes
and remember him always brimming with pride for us.*

Not long enough to stand by his side, as he was by ours after every rough tide.

*Not long enough to laugh with him still,
after every bad joke,
after every tough hill.*

*Not long enough to walk with this man,
who has taught us to be the people we are.*

Not long enough as we walked by his wife, who left too soon, our mom.

To thank them both for our wonderful life.

*In all the walks taken in life, first as girls and now as an adults, we will
remember that walk we took with our papa and always wish it could
have been longer.*

May our beautiful papa rest in peace as we continue to make him proud.

“ Broken hearted not sure where to begin. Lost my confidant my best friend and the first man I ever laid eyes on who loved me so much. Truly the kindest man you would ever meet and never had a disparaging word about anyone. Never complained about anything and was just a pure soul.

Rest my papa you deserve it. I will thrive and continue to make you proud of me. I miss you terribly and love you for my life, which was, and is a wonderful life, and the so much joy you brought me.

*Broken hearted
