“ Ronnie,

*When we were children it was always Ronnie and Jimmy always together, it was me then Rick and Will and then Ronnie and Jimmy (the first five) and of course I always was the little mother, what wonderful memories I hold deep in my heart. My heart is broken and it is totally out of my hands all I can do is grieve, the only comfort I have is that again it is Ronnie and Jimmy together and with Toby and Will and Daddy, I pray Daddy is holding you in his arms. Ronnie you have a wonderful family they love you so much and that says alot about you, such a family man loved his children and his grandchildren more then anything, and I'm so grateful you had all that love. I will miss you and your big heart and all the love you have for our Mother which will stay in her heart forever. Rest now my dear brother as you have no worries or cares and may you feel all the love we have for you.*

*Your Big Sister*
