“ Ronnie,
I often sit and think of the year that has passed and of the happiness and joy that we shared when we were younger. I think of all the laughter, smiles and fun that we had and before I even know it my tears have begun to fall. Although it brings me comfort to walk down memory lane, it reminds me how hard it is to live without you!

Walking into your house today on the 1 year anniversary (11months) of your death and seeing all your pictures on the walls was really hard for me. Seeing Ban and the kids really hurt my heart. There was so much more for you to finish but GOD had other plans. HE has you in HIS hands now and we have you in our hearts. I know you are in a better place and you are watching over your family.

I love you and miss you Ronnie, but I will not say goodbye. I will hold you tightly in my heart with my DAD until the day arrives that we will meet again.

“ One month ago today, Your death has left a heartache that no one can heal and Loving you leaves a memory no one can steal! All the memories we shared growing up will forever be in my heart! As I think of all the talks, laughs, cries, fights and pictures, I remember all the fun we had! No one can ever take that from me. Such a heartache you left to me and especially to Ban and the kids. It's just so unreal how you left and never said goodbye. So I will not say goodbye either... Just...see you soon! I know you are in a better place with your DAD and SISTER and also my DAD, and I know you are happy. I know you are watching over all of us but please watch over BAN and the kids and always make your presence known! Until me meet again in the kingdom of HEAVEN... I love you Ronnie always and forever!
