“ *I sure will miss you Rose, it was a pleasure getting to know you and your family. I will also miss the little quips you said to me throughout the day, you always made me laugh. I will always remember you calling me the "pill lady" and pretending to be mad at me when you saw me coming. Sleep Peacefully Rose and I hope you are so happy seeing Vinnie again!*

Diana, you are an amazing caretaker for my mom. These past two years knowing you were with mom when we were not, took a great burden from us when we were not with her. God bless you and keep you safe. You have given my mom a priceless gift of care. Jim Horak
