“ *Dearest Aunt Rose, you and Chuck's love for one another for nearly 64 years, and your ever presence at almost every family function is a wonderful example to anyone you came in contact . You have set a beautiful example of loving your partner through difficult times and through joyful times and through everyday times.. Your steady, long lasting love, and your way of staying connected to many loved ones impressed many of us that knew you. We, your Howell family, will miss you but wish you peace and rest and hope the Lord grants your wishes to be with Chuck and Michael and your parents and others that have left us. Thank you for being so kind and generous. We have a special place in our hearts for you always.*

“ Dear Cousin Rose,

So glad that we got to know each other, even if late in life. Our conversations, cards, and letters meant the world to me. You connected me to my past when my grandmother, Anna, and I used to walk up Luce to visit your Dad. You were an inspiration and gave me the courage to do the caulk job when you told me that you had done some in your home too. You remembered the old Slovak parties at the park on the weekends, and brought up beautiful memories. You blessed me in so many ways.

For now, I'll say, "Farewell, Dear Cousin. I'll see you again some day. Save me a seat. Tell everyone that I said hello."

Much love,

“ *To the Family of Rose Howell:
We will always remember that you came over to your Uncle Joseph & Aunt Ann Martinsky's home to say farewell to us, your first cousins, when you learned that we were moving to California in 1973. Happily we can say that we enjoyed some wonderful family reunions over the years.
Having "family" meant a lot to Rosie! We will miss you. We know for certain that Rose will enjoy her eternal rest in peace with God in heaven and with her dear husband Chuck. What a beautiful couple they were!*

With sincere sympathy and love,

*Your Cousins - Richard and Suzanne Martinsky
