“ *I was a student of Miss Majtyka at Pershing High School. I had her first for English, probably during my sophomore year, and then later for Polish during my senior year (1968/1969). Her humorous interactions with her colleague, Mr. Carmichael, were often good for a chuckle or two from the students. I thought enough of her that I & some others from the Polish class visited her at her Hamtramck home a couple of times. One of those visits was after I'd graduated. I'm glad to learn that she was able to live a long, good life.*

“ *I taught in the room next to Rose(Miss My tea cup as she would tell the kids) until she retired. As a newer teacher, I always knew I could go to her for the right answer. She was a mentor, my Polish buddy, and one classy lady.*

“ I am sorry that your dear loved one fell asleep in death. My condolences to you all. Please take comfort in knowing that our heavenly Creator will soon remove all pain, sorrow, and death forever! May this promise as recorded in Revelation 21:3,4 be of comfort as you gain the strength and inner peace to cope with the days ahead. When you have a quiet moment also read Philippians 4:13 for the assurance that God will help you through this difficult time.
