In Memory of our dear Mother, Rosemarie Szymanski (Kokowicz), R.N. She was born in Detroit, Michigan near her school and beloved Parish St. Stanislaus. It was here that her academic success and love for basketball (Varsity captain) emerged.

She was also the editor of the school paper. After graduating with high honors from Catholic education she received her degree in Nursing from St. Francis School of Nursing in Hamtramck, MI This was ultimately. her lifelong passion - and she made sure we all knew it!

Her specialty was neonatology (high risk infant care) and caring for her parents and sister and brother who predeceased her in life to cancer. She was a truly gifted nurse who loved her job and took it seriously - till the day of her passing, along with a lot of very strong coffee.

*I have just learned my dearest friend Rosemarie passed last year and I wasn't there to honor her. I have continued to send cards to the nursing home but none were ever returned. She was on the Citizens Board at Detroit Psychiatric Institute in the 1980s and we became fast friends enjoying many concerts, lunches, dinners and movies. I hope you had a peaceful passing. Missing you. Linda Marshall*
