We will miss my Dear Grandma Rosie, as she is now with God. She was widowed at a very young age and raised four incredible men by herself. She would have been 90 in April and has lived a long and happy life. Always made lemonade out of lemons and never would sit on the sidelines, living a very active and full life. She was amazing in so many ways. Love you Grandma!

Treasured sister of Olga Guidotti Capello.

Dearest friend of Patsy Johnson and the late Georgine Ayoub & Virginia Dutkiewicz...AKA "The Four Musketeers"

Born to proud parents, Luigi and Ida, on April 28, 1928 in Detroit, Michigan.

In Lieu of Flowers Donations Can Be Made to Saint Jude Children's Hospital.

“ Rosie was so special to our family. She was a loving, dedicated, and courageous woman, who always gave the most wonderful advice. When I graduated from high school 52 years ago, Rosie wrote in my graduation card "Always be a credit to your family". I have never forgotten those words and I still try to live up to that advice.

I am heart broken because I cannot be with you at this time. I send my love and sympathy to all the Davis family.

“ *Rosie was the family Historian! If you needed a family answer---she had it for you. When our father was in rehab at the nursing home, Olga and Rosie visited him and shared many childhood memories with him. He truly enjoyed their visits. When dad came home, I remember contacting her for the directions to prepare the "Rosie Italian Polenta". Dad loved it. Rosie was a loving and kind person - an angel on earth. Rest in peace our dear cousin and friend.*
