

Rostislav Sinsky

March 12, 1985 - September 7, 2024

It is with heavy hearts and profound sadness that we announce the passing of Rostislav Sinsky, who departed from this world on September 7, 2024. Born on March 12, 1985, in Frýdek-Místek, Czechoslovakia, Rostislav was a man of unwavering strength, love, and kindness, whose impact on the lives of those around him will be felt for generations to come.

Rostislav, affectionately known as "Ros" to his close friends and family, was a man who cherished the simple joys of life, always finding beauty in the everyday. He was a devoted husband and soulmate to Sonja Sinsky, with whom he shared a deep and unbreakable bond. Together, they built a life filled with love, laughter, and countless cherished memories.

Rostislav is survived by his loving father, Frantisek Sinsky and his beloved sister, Lenka Sinska (Mario Gavidia), whom he held a special place in his heart. He is predeceased by his mother, Ludmila Sinsky whom he loved dearly and who now embraces him in Heaven.

Those who knew Rostislav will remember him for his gentle spirit, his keen intellect, and his unwavering loyalty to those he loved. He was a man of integrity, whose kindness and generosity touched the lives of many. Whether through his quiet wisdom or his ability to make those around him feel seen and valued, Rostislav left an indelible mark on all who were fortunate enough

to know him.

In his memory, we hold onto the lessons he taught us: to love fiercely, to be present in the moment, and to never take for granted the time we have with one another. Though his absence leaves an immeasurable void, we find comfort in knowing that his spirit will forever live on in the hearts of those who loved him.

Funeral services will be held at Mandziuk & Son Funeral Directors on Friday, September 13, 2024 followed by burial services on Saturday, September 14, 2024.

In lieu of flowers, the family asks that you consider making a donation in honor of Rostislav's legacy by clicking on the following link: [https://venmo.com/u/Mrs Sinsky](https://venmo.com/u/MrsSinsky)

May he rest peacefully in paradise.

“ I’m sorry for your loss. I worked with Ros for 4 years at HD. I remember when his mother passed and I remember when he married the love of his life, you. He was so proud to be a husband, your husband. Ros was a sweet guy, very charming. I pray that God will be with you as you navigate this new life. Tari Carter, or Tartar as Ros liked to call me.

“ I am so sorry for your loss, this is heartbreaking to hear. Ros was an amazing person. I've known him from the time he was a teenager and he did work for our company as well as his father Frank. I loved talking with him, he always made me laugh and he was always happy. Rest in peace

“ I remember Ros as the very tall, very sweet High School employee of Pizza Hut when I was working there in College. I remember his warm eyes, his smile, his calm and friendly demeanor. His memory is fond and I wish for the warmth of those memories to provide comfort to all those who has the privilege of knowing him much longer and closer than I. Peace be with you Kind Rosko. Your memory is a blessing.

“ I am so sad to hear about the loss of Ros. he sat next to me in one of my 10th grade classes. His height intimidated me but I quickly learned what a big teddy bear he was. We reconnected a few years later and shared some wild and fun memories together. The world won't be the same without you Ros. Rest In peace 💔

I wanted to share some pics that I have of him incase anyone wants them.

“ Ross,
We are all in shock! Still can't believe it.
I'll never forget the last time we spoke at Ava's birthday party.
You said: Teta, I want you to crochet me a sweater vest with lots of colors. I'm so sorry I waited to do it for you 😞 but at least now you can take it with you to Heaven.
We all love you so much. We promise to take care of your beloved Sonja and help her through this difficult time.

“ I met Ros in 1999 our freshman year of high school, and we would remain good buddies for the next 25 years. When I think of him, all I remember is good times, great fun, and lots of smiles and laughing. If I showed up somewhere and knew Ros was gonna be there, I KNEW we were ALL going to have a good time. I don't know how I'm gonna go the next 25 years without being able to look forward to that. God bless his soul, his beautiful bride, Sonja, and all of his family and friends. Rest easy, brother.

“ *In memory's embrace, where laughter lives,
A spirit so bright, a heart that forgives.
With humor like sunshine, you lit up the way,
A friend like no other, in our hearts you'll stay.*

*Though time may have taken your smile from our sight,
Your joy will linger, a soft, guiding light.
In echoes of laughter, in stories we share,
Your essence surrounds us, our love in the air.*

*So here on this day, let your memory shine,
A reminder of friendship, forever divine.
Though dearly missed, you're never far away,
In hearts filled with laughter, you brighten our day.*

*Ros you were like a brother to me.. you will forever be missed. You
always brought such a bright positive light to everyone's lives and
it's going to be hard not hearing your laugh and jokes. We love you
so much -Banana, hot-doggie, D-Jon 📞📞📞📞*

“ Ros was always so welcoming and gave the best hugs. I met Ros in 2009 and had shared so many memories and laughs together. Birthdays, New Year’s Eve, Halloween parties. The party started when he was around. I’m going to forever miss him for his wonderful personality and will cherish all the fun times we had. God bless his family and friends. We all lost a good one.
