“ *it has been about 5 months since you passed away and it saddens me very much to hear this news. you have been very special in my life since 1952 (when we got married 11/6/1952) but when I didn't hear from you again since 1997, all I wanted was for you to be happy even though I have never got over you & I know I never will-- you are a GR8 and wonderful man,-- a great father to your children and grand-kids! God usually takes only the best and I know you are the best! by the way I saw your obit on yahoo--that is the way I found out of your passing. your photo looks just like the way I remember you the last time I saw you. if the kids want to have the photos that you gave me --I am on facebook ---nadia6367@bellsouth.net*
