“ John / Jeff - I have so many fond memories growing up with the two of you.

*ie: racing up / down Masch Street in our big wheels and green machines, playing with Star Wars figures, trading baseball cards, playing soccer in the backyard and the endless camping trips. I am so appreciative of your parents being my godparents; they often made me feel special growing up. I am very sorry for your loss but will always treasure the wonderful memories. Love you both as my brothers. Hugs. Lisa Budzinski Payne*
