“ *I am out of town and unable to attend the service but my heartfelt prayers to Sally's family for a loss much too soon. I have nothing but fond memories growing up with Susie and Sally when we were so small. I moved away when I was just 8 years old, in second grade. I always remembered "all the kids" in just a few houses--those were the days! We had such fun on Serra in Sterling Heights so many years ago. God Bless your family in such a difficult time. “ *Sally had the greatest capacity to love of anyone I've ever known. She loved her family with her whole heart and soul. When I think of Sally, two pictures come to my mind: Sally pushing around the boys in that big double bike stroller, and also, Sally helping out in Hanna and my daughter Tessa's classroom, a bandanna wrapped around her head during her fight with breast cancer. She was a loyal and caring friend who always "had your back". I will treasure the time we spent together talking and watching our kids play in the old neighborhood, as well as the times we shared as those kids grew up. Hanna, Andrew and Joe, I hope you know how proud your mom was of you guys, because anyone who knew her sure knew that, and I know that she's still watching over you guys with that same love and pride. Dennis, Hanna, Andrew and Joe, I just want to let you know that we consider you guys a part of our family and if there's anything at all that we can do, just say the word.*
