“ *I worked for Sal for 10 years at the Marina Del Rey. I was there when it first began in the early 70's. Great friends I made with the wonderful people I worked with and for.*

Dr. Louis DeBellis (my college colleague-God rest his soul), Joe Savino, Danny Savino, John Coltruglia, Frank Faila, Mario Strepone, Joe Washington, Mauro Piccinini, Mike Mahoney. I can name them all and how quickly time goes by.

My close friend Tom Riviera, on and on.

To Sal's family and friends I'm sorry for your loss. He was a food friend and a GREAT BOSS.

If I spelled any names incorrectly I apologize.

Regards,
