“ So sorry to hear of the passing of "Big Sam". He was the Babe Ruth of Roofers Local 149. As a young apprentice working in the summers to put myself thru college Sam always found a job for me on his crew. If you gave your all for Sam he gave you back even more. Sam was always the guy you wanted to sit near for coffee break because he was usually willing to share some of the goodies Sally made him for lunch.

Sam and the the Roofers of local 149 had a positive impact on my life for which I will always be grateful.
