“ *So sorry to hear of Sandra's passing. I have known her for over 50 years. She was a good friend of my late wife, Joan Harcourt who was Joan's matron-of-honor at our wedding in 1960. They both graduated the same year from Denby High School. She will be sadly missed.*

“ Even though I didn't see Sandy much, the times I did were happy and fun, like our Volunteer Banquets. She was a great volunteer and will be missed!!

*Thank you Sandy for your dedication to St. John Providence Health and the 23 Mile Road team.*

*Cindy Boeneman, Lead, St. John Hospital & Medical Center*

SM

“ Sandy will be so missed by her friends at the St. John Surgery Center. She was so kind and caring and so full of life and energy. She could run circles around anyone of us at work. She was always smiling and sharing stories about dancing with her friends and how many grandchildren and great grandchildren she had. She was so proud of her family. No one will ever be able to replace her. We will all miss her terribly. Rest in Peace Sandy

“ *Kammy, Keith, Kevin, Kirk,  
Your mom was like a mother to me. She was a wonderful woman, full of life and intelligence. Even until a few weeks ago, we loved playing "Words with Friends" together. She was a Godly woman who loved the Lord, her many bibles covered from end to end with notes as testimony. She adored her grandchildren and took pride in the immensity of her growing family, always sharing pictures and stories. When my parents passed, she was there with comforting words and a helping hand. Even though she may have gotten a bit ornery in her later years (as we all do), remember the times of laughter and love. I'll always remember her beautiful smile, her witty "Irish-ness" and her delightful humor. I'll miss her. - Marilyn*
