“ There are couple's who love on a very beautiful level. One of them was Larry and Sandy. They were truly soulmates. They loved each other and enjoyed each other's company. It has been an honor spending time with both of them. Sandy was a gentle, kind woman who always brought sunshine in a room. She spent her life with her soulmate, travelling the world and enjoying their pets. Sandy, we will meet again another day. You have a special place in our hearts -

“ Sandy worked for me for a few years, often coming to work even on days she didn't feel well but wanted to get motivated. She was loyal to me and my store. I am sorry she is gone but am happy her suffering has ended. What a nice lady.
