“ *My deepest sympathy,
I want to express.
I wish I could be there for you,
during your distress.*

*My siblings, father and so many, share a pain that is deep.
I feel so sad, I can't be there to hold you while
you weep.*

*If there's any way,
that I may assist.
I'll gladly help,
I truly insist.*

*About your loss,
I'm so sorry to hear.
Right next to you,
I'll share every fear.*

*Just want to say,
that it's ok to cry.
It must be so hard,
to just say goodbye.*

*This is for my dad, Johnny & sis
Especially now I truly miss.
I would do anything possible to make this better.
I hope you know this while reading this letter.*

*Sandy was definitely loved by all.
She was a great mom and grandma and at your beck and call.*

*I can't imagine how much sorrow,
your hearts must feel.
I promise to support you,
through this tragic ordeal.*

*I will talk you through day or night
And hopefully soon I can catch a flight.*

I love y'all!
