“ Sarah was a caring and giving person. She always gave to others from her heart. We considered Sarah part of our extended family and enjoyed celebrating holidays with her. Sarah and Andrew were so happy and a good example of true love and devotion to another. Sarah had a beautiful voice and she shared her gift with others by her participation in multiple choir groups. We'll miss you Sarah. Rest in peace.

“ Sarah was the most kind hearted and joyful person we always treated her as family and would make us all laugh and was always great to be around. I enjoyed talking baseball or basketball with her at many of our family get togethers but above all else no matter what she was always wanting to know how everybody was doing what's going on in their lives and had so much love and caring for all her friends and family. She will be missed by many we all loved her.

“ My friendship with Sarah goes back to 4th grade. We have had a lot of good times and also bad together. Sarah was a part of my family and was included in all of our holiday get togethers. I was her Maid of Honor at her wedding to the love of her life Andrew. The last few years have been tough on her, she is finally at peace. I will miss you my dear friend, you were the sister I didn't have. I love you.
