“ I am in shock and disbelief about Scott. We met while working at Sveden House. We called ourselves "The Sweatbox Gang " Our gang consisted of Scott, Greg & Felicia Ferguson, Kevin Mathis, Mike & Matt Timney, John Sherrill, Greg Johnson & I, along with so many other co-worker's that came & went. When hanging out with Scott, you knew you were going to have a wicked fun time. Scott and I were close friends for such a long time & for whatever reason drifted apart. For so many years I have missed him, as did the rest of our "gang ". We talked often & fondly of our Scott, as recently as a few weeks ago.He was & never will be forgotten. Praying for your family. Rest in peace Scott.... I will cherish the memories I have of you & hope to see you again in heaven. Life is short, but memories are forever.

I'm right there with you Pam. We did have alot of fun back then. We made great friends while working at sveden house. Even after we all went our separate ways..many of us stayed in touch..hanging out. .Scott was a special friend. .I have a heavy heart..I hope his family takes comfort in knowing we all are saddened by their loss. I wish we could have seen each other more often..rest in peace my dear friend. ..felicia ferguson

“ *Mr. and Mrs. Herd and Lori, I am so sorry to hear of Scott's passing. When I think of growing up, it's full of memories of all of us together. We spent practically every summer day and night together playing any game or sport we could think of. Scott and Jeff always let Lori and I (the tomboys) be a part of everything and never let us throw like girls!*
My deepest sympathies to you all.

“ *Mr. and Mrs. Herd and family...So sorry to hear of Scott's passing. Not sure if you remember me but I met Scott in 1985 through your neighbor, Jeff May. We used to hang out with Scott along with Ron Hostinsky. Scott was a very funny guy who was fun to be around. I extend my deepest sympathies and comfort during this difficult time.*
