“ *Lisa,*

*I am very sorry for your lose. My heart breaks for you and the girls. I had Scott as a student at Davenport University. He was a great student and we were very proud of his accomplishments. I know he was a great nurse!!*

*Scott and I kept in contact after graduation. The last time was a few months ago. One thing I can say for sure; he loved you and the girls endlessly.*

*Hopefully, there is some comfort knowing he is safe in arms of Jesus now, and you all have a forever guardian angel.*

*May God wrap his arms around all of you during this difficult time.*

*With deepest sympathy,*

“ Scott was my supervisor at BCOM. I enjoyed working with him and all the great times we had. He kept in contact with Mark and I even though we went our separate ways. I'm still in shock over his passing. He was glad to have got his RN license and finally move on with his life. He passed way to young. He had so much to live for. I'm sorry Lisa. If you need any help, please feel free to reach out to me. I'm sorry.

“ Dear Lisa:  
I am so sorry to hear of your great loss. Scott was such a special guy. He was always willing to help a person when there was a need and he never made you feel bad for asking. His sense of humor lightened a lot of trying times. I will be praying and asking God to bring you peace and comfort. These next few weeks and months will be difficult. Please try to take one day at a time and some days just take one moment at a time. Scott will be missed by many and the world is not quite the same without him.
