“ Dear Mike, Jennifer, Liam, and Flinn Family.

Mike It was my pleasure to speak with you and Shawn and sharing some welding fundamentals. I was impressed with Shawn he showed a lot of interest, and i had great hopes that he would do well learning this craft.

It was my hope that what limited knowledge i could shear with him, would help to sent him on a trajectory of enrolling and completing welding school.

I'm was very saddened hear of Shawn's passing.

My god be with you, and your family, I will keep you in my prayers.

“ May the God of comfort and tender mercy bring the family hope for Sean with his promise to have the dead stand again to life found at Revelation 20:12 where he says: “And I saw the dead, the great and the small, standing before the throne, and scrolls were opened But another scroll was opened; it is the scroll of life...” As the last enemy, death is to be brought to nothing (1 Corinthians 15:26).

“ I am truly so sorry for your loss. I have fond memories of Sean and his friendship with my daughter, Claudia, at St. Anne. They were just so cute walking out of school together with Sean carrying her books! A gentleman at 8 years old! I pray that you will also find some comfort in your cherished memories. I will keep you in my prayers.
