

Selena Savage

January 25, 1979 - February 25, 2026

Selena Savage, age 47 passed away on February 25, 2026. Born to Debra Jacob and William Jacob. Beloved wife to John and loving mother to her son Brock and daughter Sierra. Loving sister to Lindsey Cole and sister in law Lisa Cole. Loving Aunt to her nieces Hadley, Savannah and nephew Jacob Cole. Selena touched the lives of so many through her love, kindness, caring and generosity. Selena was so proud of her two children Brock and Sierra. She loved spending time watching her son Brock's baseball games, her daughter Sierra's cheer competitions and softball games and enjoyed spending time with her nieces and nephews. Family and friends were a big part of her life and so important. Her love was felt by those she held close to her heart. Her family, friends and coworkers. Her kindness was felt by everyone who came in contact with her beautiful smile, infectious laugh and kind words. Her caring and generosity was felt by all those she gave her time to. Whether it was her immediate, MDT, Adage or Stevenson Booster Club families. Selena lived everyday of her life with the love she found in helping, caring and providing for all those around her. Selena's spirit lives on through all those who were touched by her love.

In lieu of flowers donations can be made to a go fund me towards Brock and Sierra's future education. “ I’ve only known Selena for 4 years. She was tasked with training me at MDT. MDT was still fully remote when I was hired and I’m pretty sure Selena didn’t know what she was in for. I’m not one to accept this is just how you do things, I needed to see and know how and why. Needless to say, Selena and I spent many hours on calls together with me asking her to show me things in more detail. She never made me feel like I was imposing or being a pain. It didn’t take long for us to start clicking and talking about our families. I also have a son and daughter. They are 5 years older than Brock and Sierra with the same age difference. Hers kids played football and baseball, cheerleading and softball, mine were hockey and soccer, so between us, we had most sports covered. You could feel the love she had for her family, especially when she talked about Brock and Sierra. I loved hearing it, because as her kids were starting their high school sports, mine were ending theirs. MDT started back to in office days a couple months after I was hired and I tagged along on the days Selena was in the office. I would always ask her when she would be in the office because to be honest, I was kinda afraid to be in the office alone with Tonya. Love you Tonya. We would eat lunch together, she always had a stash of ham and cheese hot pockets and chik fil a sauce. I owe so much to Selena, and there will never be a day that goes by that I don’t think about her. I am a truly a better person for knowing her ❤️

“ Sierra, Brock, John: we are heartbroken and share your pain. Softball brought us together and from day one your mom, Selena, was fun and respectful and she made it all about the kids.

She cared so much and worked hard to teach and nurture. She somehow found a balance between fun and games, and being a fierce competitor.

No matter where our kids' paths took us, she always found a way to keep in touch at games and cheer for every athlete that she knew. We are lucky to have known her and we cherish our time together.

“ Selena was such a good friend of mine when we worked at the credit union together. She was such a fun and sweet caring person to be around. I was so saddened by the news of her passing.

“ I still can't believe this news. I worked with Selena for several years. I attended her wedding and I threw her work baby shower for her second child. I spoke with her sporadically and she attended many of our center line branch reunions from her previous job. She was so smart, charismatic, and funny. She was very much a family person and enjoyed her job as well. It's just heart wrenching that she had to leave us so soon. Sending prayers to all of her family and friends. May God help to heal all of our hearts.

“ *Such a beautiful lady! We had the pleasure of meeting her and her family through Stevenson Cheerleading. She was one of those “go-to” moms, she was always smiling, always cheering on the team. She will be deeply missed, but her warmth and smile will be remembered. Sending love and strength to her family during this difficult time.* ”
