Grief does not,
But loving memories remain
Forever in our hearts.*

You're in my prayers.*

“ I only have memories of Shannon as a child. She was a very sweet and timid young lady. I pray that Shannon knew the Lord and walks in his beautiful garden with him.

PS

Over the years, we all drift apart as time keeps us busy for different reasons. Wish as sisters we could have been closer, but that wasn't meant to be. As the baby sister never thought you'd be the first to leave this world, and as you join the others that have passed before you, rest in peace and know you will be greatly missed. My deepest sympathy to your husband and children. Love you, Paulette

“ Shannon and I talked about partnering up in real estate, she was going to get some loose ends tied up and then contact my broker for classes. We all know that Shannon had the gift to gab and she would have made an awesome partner. You'll be missed Shannon. You were taken way too soon, rest in peace. You'll never be forgotten!! With love.
