“ Dear Rich, Judy, and Family.....

We are so deeply saddened by your loss. Precious Shelby will live on in the hearts and memories of your Sage Lake "families" forever. She will be with us in spirit at every gathering on the dock, every campfire in the evening, and in each twinkling star that shines in the beautiful night sky. God chose to bring her home to Him for a reason that none of us can understand. Therefore, we pray that He will give you the comfort you so desperately need right now, and peace through the beautiful memories you'll always treasure in the future.

“ My heart breaks for Judy, Taylor, Justin, and Rich. Little Shelby would lighten up our classroom when she came down with that infectious smile. When she got older, it was such an honor to be one of her teachers in fifth and sixth grade. In two years, I can't think of any time when she wasn't a role model in class and a sweet and friendly student to peers and adults. It was very evident how much she was loved by her family and how that impacted her to be a light to others. It is not fair to the world that Heaven gets this light so soon. Shelby leaves a legacy on how to be good and caring to others.
