“ *A very sweet lady, with a great sense of humor and a kind heart. She ran her kitchen like a true professional and was always willing to accommodate whatever the kids needed. I will fondly remember her sunny smile. My prayers are with her family and friends for comfort, healing and peace during this time. All of us are blessed who were lucky enough to know her.*

“ Our Troy Schools Food Service Department has lost a great friend and dedicated employee when we lost Sheryl. We worked together for many years, and she was always willing to do whatever was asked of her. And always with a smile and a positive attitude! She will be greatly missed by not only the staff, but by the many students and administrators that she worked so closely with. She truly found her "happy place" when she worked with the little ones at the Early Childhood Center, and they dearly loved their "Miss Sheryl"! We have truly lost a great lady and dear friend! My thoughts and prayers go to each of the family members now during this very sad time.

Most sincerely,

“ Coming back to school on Monday after hearing of Sheryl's passing was a somber day. The building seemed so empty, even though it was full. Sheryl worked very hard at our preschool taking care of everyone's needs. She must have done 10,000 + steps every day. The kids and staff loved her!! She is and will be greatly missed for a long time to come!

“ *I send my deepest condolences to Sheryl's sister Tammy, her brother-in-law Dave, and the entire family. I only met Sheryl once; Tammy and our mutual friend Paula invited me to do Painting With A Twist and we all had a great time. I could tell immediately that Sheryl and her sister had a very special bond. I am grateful I met her. I am deeply saddened by her sudden passing. I am praying to God for His peace, His guidance, His love over this family...that you will all band together and grow in God's peace that surpasses human understanding. I love you, Tammy & Dave.*
