“ Shirley was a friend that many of us Marc Drive neighbors enjoyed seeing at our neighborhood club for 40 years+ and she will be sorely missed in our little dwindling group. You can't put a price on friends who grow up and grow old together over the years, sharing in each other's lives, hearing about each other's children and husbands and even extended family. Celebrating the joy of every milestone and special occasion, keeping secrets, crying and laughing together through the good times and the bad. This is what good friends are for, and God blessed us with a special friend in Shirley. She had a strong faith and a good heart and she will never be forgotten. I know that she is happy in Heaven with Stephen and will suffer no more. May God bless you in the coming days, her family still left behind, and give you peace and comfort to carry on in her absence. Our thoughts and prayers are with you. Love, RoSue & Dave Gordon

“ *Denise and Skip,  
Living one door down through those critical years growing up, you all were an important part of my life. I remember the lessons you taught and the love you shared.  
As I remeber Shirley, she was always patient, took time to listen and told wonderful stories. She taught me the beauty in music and how to cook a wonderful meal :)  
We've gone our separate ways, as life takes us on it's own special journey, but you've never left my thoughts or my heart. I will never forget the beautiful warm smile Shirley shared. She will be sorely missed.*

*You have my deepest sympathy. Sheila*

“ Uncle Skip & Denise, I am so sad for you but take comfort that Aunt Shirley is in the arms of our Heavenly Father. I can just picture Aunt Shirley, Aunt Dot & Steven dancing and cutting up while Grandma, Uncle Bob & Michael just shake their heads. I miss them all and still talk to Aunt Dot as if she were here. I hope your memories of the love she had for her family give you comfort. Karen Pence

“ Dear Skip, Denise and Harry,

*We certainly will miss Shirley and her memory will live forever in our hearts. She dearly loved her family and showed it in so many wonderful ways. The times we shared together will be cherished always! Let us all remember: That today, we have more to go to Heaven for than we had yesterday, because she is there. She is at peace with her Heavenly Father.*

*Love,  
Brother Bill and Nita*
