“ Our hearts are shattered with grief at your passing, and the pain of losing you is almost too much to bear. For 64 years, you graced our lives with your radiant love, warmth, and laughter. But now there is an immense void in our lives.

*As your Mom, I cherished every moment of your beautiful journey, and as your Brother, I hold dear every memory of your kindness and joy. The sorrow we feel is deep and unending, a testament to the love we shared. Though we take some comfort in knowing you are now reunited with your beloved husband, Spasoje, dear sister, Jadranka, and loving father, Mile, nothing can fill the emptiness your absence leaves behind.*

*We will forever mourn the loss of your radiant spirit. The grief is profound, but so is the love that binds us together—a love that will keep you alive in our hearts always.*

*Forever missing you,  
Mom (Senka) & Your Brother Zeljko*

“ I didn't know you directly, but know you very well through Mira and all of the kind, loving, and amazing things she has said about you over the years. Your loss is a big one as so many people in your life loved, appreciated, and needed you! I know that you're with your husband and you'll be enjoying watching your kids and grandkids grow up from above. I'm praying for all of your family as they endure the grief of living on earth without you.
