“ Deepest sympathy to Ludwig and the children and grandchildren of Sophie. Sophie, a beautiful lady with a golden heart. She truly was a God's gift to this world and everyone that knew her. I remember ever since way back when, the great times we had when Sophie, Caroline and I taught preschoolers (our own children included) at the Czestochowa church hall for several years and helped put on the dress-up Halloween and St. Nicholas parties for the children and many, many other events. Sophie was always not just nursing people but uplifting them spiritually.

*I will miss her forever and I know that Sophie, without a doubt is a citizen of heaven now, as in Philippians 3:20 "For our citizenship is in heaven; from which also we look for the Savior, the Lord Jesus Christ, 3:21 Who shall change our humble body, that it may be fashioned like unto his glorious body, according to the working by which he is able even to subdue all things unto Himself."*

“ I will always remember the privilege I had of having Sophie for a coworker and a friend. She was a beautiful person and enriched my life in many ways. She always had an opinion which she usually wouldn't hesitate to share and I usually looked forward to hearing them. Whether I agreed or not they were always given with love. One thing is for sure, she loved her family dearly. And now I am praying for you all to have peace in this time of loss and sorrow. She will be missed but not forgotten.

“ Dear Lou, Paul, Mike & Mark, We are so sorry for your loss. Sophie was a beautiful lady both inside and out. The short time we lived on Walker Drive in Michigan were happy times knowing your family. Even when we came back one time to visit everyone, you all welcomed us at your home and backyard so everyone could see us. You all will be in our thoughts and prayers during this tough time. Be comforted in knowing that one day we will all be together again. Our Love, Karen & Bob Jodal. Jennifer, Jim and Pete send their deepest sympathies also.
