“ *Sam, I'll always remember the great times I've had with you and the family. And how you treated me like I was family. Always a smile on your face and a joke or funny story to put a smile on mine. My greatest memory will forever be of my visit to Arizona for Mira's wedding and the tomatoes you were excited to grow. Always going out of your way to make me feel comfortable and part of everything. You will be missed so very, very much. But the love and laughter you gave us will live on forever. Rest in peace dear friend.*
