

Stacy Lynn Parke

September 4, 1962 - September 5, 2025

Stacy L. Parke, age 63, passed away on September 5, 2025; Born to Marilyn Ann Moore and Patrick William Baker on September 4th of 1962; Beloved wife of Robert W. Parke; dear mother to John Parke and Jacqueline Parke; treasured sister to Charles Baker and Patrick J. Baker.

Stacy's bright light will shine forever through the people whose lives she touched.

Stacy fought a very private battle with cancer. It is her wish that everyone would think of her in the way that you knew her. Stacy and I would love you all to share any and all of your stories about Stacy and the "old days". I would also appreciate that you respect the families privacy with regards to the conditions of her passing. Stacy should not be remembered for how she died. I know that you will all remember her for the way SHE LIVED!

In lieu of flowers donations may be made in Stacy's memory to any veteran charity of your choice.

“ Our family and the Bakers hung out a lot. Mr. Baker was our dad’s campaign manager (Chuck Cagle).
I saw Stacy at the court house many years ago while on a jury duty.
We are very sad for your loss.

She was incredibly kind and beautiful.

“ I am so very sad to hear of Stacy’s passing and so sorry that I was not able to attend the service. As the Court Administrator at the neighboring 46th District Court for many years, our paths often crossed. I will always remember her willingness to lend a helping hand whenever and however she could. She was kind and sweet—always smiling—and respected and loved by all. My deepest sympathy to her family.

“ I met Stacy while working in the courts. Stacy was a beautiful person inside & out. She always made everyone feel so welcome and had the warmest smile. She was so full of knowledge and quick to share that knowledge. She will be missed. R.I.P. Stacy. 🙏❤️

“ I was BLESSED to have met Stacy through her cousin, Janice, many years ago. She was so kind to me at a time in my life when I needed a friend....a kindness that is unforgettable. I'm not surprised to read all the comments on how she lived her life in away that inscribed her love forever in the hearts and memories of anyone who was fortunate to have met her no matter how brief. My deepest sympathy to her family and anyone who knew her. A bright bright light gone way too soon.

“ When we moved into the neighborhood, Stacy was one of the first to welcome us with her kind spirit. She was always so positive, uplifting, and encouraging, not just to me, but to my children as well. I'll never forget a memory that came up on my phone recently: my son learning to ride his bike without training wheels. In the background of that video, you can hear Stacy's voice cheering him on and even stating the time and date of this milestone. That's who she was, always present, always encouraging, always spreading joy.

I'll also never forget during my pregnancy, Stacy would show up with delicious food from Plum Market, reminding me to take care of myself and to eat well. That was just her way, thoughtful, caring, and always looking out for others.

Stacy was such a beautiful example of kindness, love, and grace. I always admired the way she and Rob would walk hand in hand, like newlyweds. We will truly miss our dear neighbor and friend, but I will cherish the memories and her beautiful spirit forever.

*With love and deepest sympathy,
Szkarski Family*

“ I’ve known Stacy for 20 years, I’ve done her hair every week. She was more than just my regular client, I considered her a friend. She was smart, kind and thoughtful, always thinking of others. She would often share her wisdom on life with my oldest daughter Amily who always enjoyed her company and listening to her advice. She was always the easiest to talk too, always asked the right questions, knew how to put a smile on everyone’s face and always cared how everyone was doing. She remembered the smallest details and always made us feel special and cared for. She was the most beautiful person in every way.

“ My interactions with Stacey were brief due to the nature of her work at the court and mine at City Hall but she had such a calm, joyful aura. I enjoyed just saying hello and seeing her smile.

“ I feel like the world is a colder place today with the passing of Stacy. She was a genuinely good person. Her smile and laugh came from the heart and lit up the space around her. She was kind to everyone she met and I don't recall her ever saying an unkind word about anyone. She was smart and pioneered numerous court programs, including effective court collections. She shared her knowledge with anyone interested. Everyone who knew her is grateful today for that privilege and will miss her dearly.

“ I worked with Stacy at the 47th.District Court. I'm the former Court Officer.

We shared many laughs,stories together and how things were going in the Magistrates Court room on the main floor. We would see each other on a limited basis since she was at the opposite end of the building. We also shared thoughts,smiles when we saw each other.The Pleasantries were always there when we did see each other. . She will be missed. My heartfelt thoughts and feelings go out to Rob and her entire family.

“ What a presence of energy, positivity and light Stacey was. I knew her for about a year after joining the City of Farmington Hills and at first meeting, she was so welcoming! She made me feel like I was a longtime friend. I had the pleasure to attend her retirement celebration at the court, where so many stopped by to wish her well! What a lovely spirit. May she rest in power, and may her family continually be blessed by her beautiful memory!

“ I have known Stacy since kindergarten, having grown up just five houses down from the Bakers. Over the years, even as my family moved back and forth to England, we managed to keep in touch. I was also honored to be the photographer at her and Rob’s wedding.

We may not have talked every day, but the possibility of sharing a meal at Panera with her was always there, and I’ll miss that more than I can say.

My mom, dad, and sister Joanne also had the pleasure of knowing Stacy during our years at school and our time living on Osmund. We send our deepest condolences and warmest prayers to her cherished family: Rob, Jackie, John, Pat and his family, and Chuck.
