“ Sending our deepest sympathy Mike, Toni and Mike. Your dad will always have a special place in my heart. I will never forget the uplifting talk he had with me when Joe died and how he made me view death. Seeing his smiling face whenever I was in Hamtramck made the visits there even more special. I know that special smile of his is beaming down on all of you. I'm sure Stan already has his wings and is doing his work in heaven as he did on earth. God Bless you guys in this sad time. Love you!

“ Dear Michael, Memories of Your Father go as far back as you and I were children...playing at Grandma Josies, and Tonys house on Alice street. Through the years I am so sorry we have been out of touch. I had seen more of your Dad , at funerals , and weddings. He and Your Family are and always be the better part of my life. You were blessed to have had a Father with a heart full of joy, laughter, never a harsh word towards anyone. He Thanked God everyday he woke up. Last I spoke with him he had fallen and was in rehab.. His pain was always covered with a smile..a joke... Kind words and singing in Saint Florians Choir. I will be to the F.H. and for Mass. My heart aches for you Mike, and your Son Mike. Your Dad was the last precious gem to our ancestry.

God Bless you and your Family...at this time. And hope to be a part of what we have left of Family. With all sincerety, Saddness, and Love. Always,

Your Cousin, and. Your Fathers Cousin,
