“ I worked as Stan's Asst Mgr for a time at John R Lumber. What a man and role model. Without question the hardest working person and best family man I ever knew.

“ I worked for John R. Lumber Company back in the early 70's. Stan was the Manager and I learned so much from my 3 years there. How blessed he was to have spent almost 70 years with his wife. We all leave an impression in our lives. Stan left one for me and I am grateful to have known him. Craig Salvati, The Villages, FL
