“ Although I'm not acquainted with your family I'd like to extend my deepest sympathy for your loss of loved one Mr Barnack last year. People don't realize that as time elapses the pain still is felt from a loss. It is my hope that your family can take comfort in learning that Jesus Christ, through God's Kingdom will soon do away with death forever. God will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces.??Isaiah 25:8. We also have a loving hope to see our dead loved ones again, (Acts 24:15) and I have hope toward God, which hope these [men] themselves also entertain, that there is going to be a resurrection of both the righteous and the unrighteous." Lastly a loving God would never take someone from people that love them.?With evil things God cannot be tried nor does he himself try anyone.? (James 1:13). These thoughts have comforted me during loss and I hope it helps your family too

“ *MaryAnn I am so sorry about your dad, I know that you two were very close and you always talked so highly of him. He was your "buddy" and you always took the time to be there for him. He will always remain in your heart. You are a wonderful person and friend. We had a lot of good times at TI and I miss all that. My prayers are with you and your family. Stay strong.*
