Tribute Wall

“ Stan was a motorcyclist, a member of the largest motorcycle association in the state of Michigan, Michigan Goldwing Owners Association, he was among the founding fifty and a highly valued member. He was also a dear friend to myself and husband Darrell. If there was a job to be done for the club he was the first one to raise his hand and proclaim the had been “Hughesed”. Which is a silly way to say he had been cheerfully cohered into volunteering. We have not seen nor heard from each other for years but i have a belt buckle he made for me on my library shelf and i see it every day reminding bothDarrell and myself that he was in our lives at a very important time.
Our memories will not stop and I know Stan is riding a wing into forever...

I was a brother to Stanley J Ritterbach and my memory remembers many times when he and I had fun on bicycles and in later years on motorcycles cruising down the highways and byways and having an extraordinary GOOD Tlme cruising along.
