“ Oh my sweet Steph, how I loved you more than you know! I told you every chance that I got that I loved you and that is exactly how our last conversation ended. Your beautiful smile and bright eyes always lit up a room. The last seven months that I lived with you were at times crazy but I wouldn't have it any other way. My heart is broken and it feels like it will take forever to mend but I know in due time it will. Our nightly conversations are already missed tremendously. I just don't know what I will do without my BEST friend/sister. You don't really realize just how much you love someone until they are gone. I do know that you are no long struggling and in no more pain and that is what will help me in healing. Please watch over all of your loved ones and know that you are very much missed! I LOVE YOU, STEPHANIE!!

“ Love is like falling down.....in the end you're left hurt, scared, and with a memory of it forever. You will be truly missed, and I will always remember the time we prayed together, when you were around 10 years old. And because of that prayer, I know we will see each other again.

I'll love you forever.
