“ To the Family.

I am sorry for the lost of your family member and dear friend. I have an encouraging message that I would like to share with you from God's Word the Bible.

Like many people we all want to live and enjoy life with the ones we have lost to this aged-old-enemy death. Sadly, though because of health issues, injustice, crimes and old age we have to suffer the pain when ones fall asleep in death.

In the Bible at John 5:28,29 Christ Jesus states that all those in the memorial tombs (graves) will hear his voice and come out. These ones according to Psalm 37:11 will be resurrected right here on the earth.

The Bible also gives us comfort and hope at Revelation 21:3-5 which assures us that the day is soon to come in which our Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and death will be no more.

I hope that after reading this that it will be of comfort to each of you.

“ *John 16:22 So with you; Now is your time to grief, but I will see you again and you will rejoice, and no will take away your joy. This is so true and when we see them again, it will be forever. Please know I will continue my prayers for your family to find some kind of comfort. I know how you feel and right now it seems impossible to go on but you will. The Lord and your guardian angel Stephanie will help you. They see us suffering. Live for her. Only you can keep her memory alive. God be with you and help you through.*

“ *Tracy and Jim, there will always be something, everyday, that will remind you of your beautiful daughter STEPHANIE. That will be her way of letting you know that she is ok and in a much better place. It may be a song, a butterfly, or a whisper, but you will know. May God and time be good to you. With deep sympathy, Cathy Andrews*

“ To Tracy, Jim, & Family: I had the pleasure of working with Stephanie at EHIM, and always thought very highly of her. I remember her always asking me to play that one video of all those people falling down and the two of us (and anyone else around) would laugh like crazy at it!! She had a great laugh, and hope she smiling down at all of us right now. I really can't explain how badly I feel for your family. With time its gets more tolerable, but it's never the same.

“ Tracy,

I'm so sorry for your and your family's loss. I remember working with Stephanie, helping her with the logging, and was always struck by how truly sweet a girl she was. I'm shocked and deeply saddened. I pray time will bring you and your family some measure of peace. She was a very special young woman.
