“ *Fr.Stevan Petrovich was and will always be in the heart and souls of the people of Vratnica, he not only united all of the former Yugoslavian Village but instilled Jesus Christ and the Orthodoxy faith as well. Personally speaking I'm a product of his spiritual preachings and was Baptized by Fr.Petrovich. May God rest your soul and you will always remain in our hearts forever, thank you for sharing your life with all of us from the Village of Vratnica. God Bless You. May the Angels of Heaven await your arrival.*
