

Steve, Jasmina, and Anja Radosavac

September 29, 2018

On Saturday, September 29, 2018 in the early morning hours, the unthinkable happened. Steve and Jasmina's home caught fire leaving both deceased. Their youngest daughter Anja was taken to the hospital but sadly passed away October 1, 2018. They are survived by their beloved Mia. Steven "Castro Bigdog" was born June 27, 1978 and passed away September 29, 2018. Steve was incredibly active and loved to work out. He had the "tough guy" image but after spending just a few moments with him you would know he was the gentlest man. He loved his cars. He was an outstanding motivator and always encouraged people to strive for their goals. Steven is survived by his parents, Sava and Zora. His siblings Michael (Maya) Ilievski, Salvica (Leonard) Black, and Natasha. Jasmina was born July 25, 1978 and passed away September 29, 2018. Jasmina was the most beautiful woman in the world. She was a kind woman but she was fierce. She was active and always took care of herself. She was very active in spiritual healing and she was always willing to help people. Jasmina was an avid reader. She was a "mama bear". Jasmina is survived by her parents Boris and Jagoda Blazhevski and her sister Emilija Blazhevaska. Both Steven and Jasmina are survived by numerous nieces and nephews. Anja was born March 14, 2005 and passed away October 1, 2018. Anja was an incredibly gifted artist. She loved realistic portraits and had aspirations to become a tattoo artist. She was very intelligent and extremely outgoing. She enjoyed jokes and the occasional prank. She is her sister's best friend. Anja will be missed dearly by many,

many friends. Mia would like people to know how proud she is of her parents and sister - "They raised me right-they made me who I am today". A special thanks to Joe Zago and everyone who supported and showed a tremendous outpouring of love for the Radosavac family. In lieu of flowers please consider donations to the family. There is a GoFundMe set up for funeral expenses and for Mia's future. Please consider contributing, any amount at all will help. <https://www.gofundme.com/Radosavac>
