“ Sorry to hear of Steve passing. He was a postdoctoral researcher at UC Riverside when I was working on my doctoral research with James N Pitts Jr. We kept in touch over the years and I reviewed a number of papers for him when he was Editor of Environmental Science and Technology. Great guy and scientist. Have many fond memories of him. Rest in peace old Friend. Jeff Gaffney Emeritus Professor of Chemistry University of Arkansas at Little Rock.

“ Sorry to hear about the passing of Steve Japar. We were colleagues in Ford Research Chemistry Department. Although, we did not collaborate, he was a mentor to me while I was climbing the Tech Ladder. May God give strength to family and friends to bear the loss.
