“ Scott & family: I am so sorry to hear about your father's death. I have such great memories of both your mother and father at the bowling alley! I didn't even know your mom passed away until I logged into this website. We had so many good times together and I will cherish them forever. They were great people! I even remember all my neck massages Scott! It's been a long time since we've seen each other. May you all find comfort in your memories. Stay well and be safe! Robin Maison-Petersmarck xo
