

## Sue Katherine Hoover

June 26, 1944 - September 13, 2024

Sue Kathrine Hoover was born on June 26 1944 she was 80 years old. Kathy passed away on Friday September 13 2024. She was married for 16 wonderful years to Micheal Stanley who passed away a few short months ago.

Kathy was born a child of God. She had a very hard life & might even say she wasn't delt the best hand. Without knowing her parents or siblings she set out to pave a way for herself with the lord by her side!!

At a very young age she had to learn to survive on her own.

Kathy birthed 3 children of her own. Terry (Kristy) Anna (Paul) & Tommy. She has 7 Grandchildren 12 great Grandchildren. Also with her loving husband she gained 3 step sons 10 grandkids & 12 great grandkids.

She was a beloved daughter sister mother grandmother & friend to so many.

Kathy was a member of Ambassador Baptist Church for many years. She enjoys knitting & word searches. She loved watching "I love lucy". She also enjoyed Elvis Presley music. Kathy has always just wanted to be loved respected & appreciated. Thankfully the last 16 years she received nothing less then that. She has been a blessing to so many people & will be missed by so many. I'm happy to say she is at peace with the love of her life. She no longer is fighting to survive. She was a warrior. We want to remember Kathy as a fighter but more for her strength at over coming all the odds!
