“ I'm so devastated to hear of Susan's passing. I will remember her always as a dear old childhood friend who shaped my difficult girlhood and taught me how to laugh, and how to laugh at myself. She was the 멋있는 unni of many hidden talents and one look or laugh of validation from her could make me soar with happiness. But I'm also so grateful to have reconnected over this last year and to have rediscovered the depth of her humanity, compassion and empathy for others in this chaotic and turbulent world. It was also heartwarming to see my friend blossom in motherhood and see how much she adored her beautiful daughter Sidney. I so wish I had more time to express how much I appreciated you Susan. I am so sorry for this. My deepest condolences and sympathy to both the Lee and Thomas families. With love,
