“ *We thought of you today, but that is nothing new, we thought about you yesterday, and days before that too, we think of you in silence, we often speak your name, now all we have is memories and your picture in a frame, your memory is our keepsake, with which we'll never part, God has you in his keeping, we have you in our heart!!*

We love you and miss you dearly Susan.

“ Now you have gone, life will go on. Time will be tenderly melting our tears. Yet we will find, you in our minds, beckoning over the years, and when we grow too old to dream, your love will live in our hearts..

“ Dearest Susan,
You showed nothing but patience, kindness, and compassion to me during the darkest time in my life. You touched my life for only a short period, but I will carry that time with me for the rest of my life. Be at peace and watch over us now.

To the family and friends of Susan - Stay strong and love deeply.
That is what she taught me.

“ I worked with Susan at Haynie Elementary for several years. She was such a dear sweet friend! We could (and did) talk to each other about everything. Loved her dearly!
